Petitioners were recruited as Last Grade Servants in the Department of Health Services. They have been working in the said capacity. Their services have been regularised and probation has been declared as well. Method of appointment to the post of Junior Health Inspector Grade II is contained in Ext.P1 Special Rules, which provide for appointment of technically qualified hands in the Health Services Department by promotion/transfer. This is one of the modes of recruitment. Petitioners have applied, in this regard, as is evidenced by Ext.P3. Their applications are pending consideration.

After having heard the learned counsel for the petitioners and the learned Government Pleader, the writ petition is disposed of directing the first respondent to look into the petitioners' claim in terms of the special rules and take a decision thereon, within a period of two months from the date of receipt of a copy of this judgment.
